
The 34th Edmonton International Film Festival Announces 2020 Audience Choice Awards

It is our privilege to announce this year's **Audience Choice Awards** in the feature-length and short categories. We tallied over 800 audience votes for over 120 short films and 30 features, from local-grown filmmakers to international stars and this year, more than ever, audiences made their voices heard! Festival audiences cast their vote online through WuFoo, and for the first time, audiences who enjoyed EIFF on **Super Channel** were able to cast their ballots as well.

Please join us in congratulating these filmmakers...
